Batavia Kill Watershed District

Dear Mr. Diamante:

Per our March 30, 2009 conversation, the Batavia Kill Watershed District is designating Greene County to act as its proxy in the Greene County Multi-Jurisdictional All-Hazards Mitigation planning effort.

By way of this letter, the Batavia Kill Watershed District authorizes Greene County to act as its proxy and guide and direct this planning process, perform certain parts of the planning process, and prepare certain parts of the plan document on our behalf.

Very truly yours,

Carol D. Stevens, Esq.
